ABOUT ME

I am a junior Front-End web developer, seeking a rewarding career in web development as a professional, where I can contribute my knowledge and skills for growth and development of the organization. I am specialized in React JS Developer & Web Designer

EXPERIENCE

○ Fresher

I have no company experience, but **last 6 to 8 months (October 2021 - present)** I am fully dedicated my career for how to build a web application and how to design a website etc. I self-learned a lot of things from Google, YouTube etc. helping me a lot, so I know the trend
